## PANAMA MERCHANT MARINE CIRCULARS

The Merchant Marine Directorate introduced a new system of Circulars and Marine Notices publication to facilitate the search as well to inform any matter to be addressed to the shipping community:

- **Merchant Marine Circulars** – Publications used to communicate the criteria instructions orders and notices of the General Merchant Marine Directorate or any other Panama Maritime Direction including the technical and operation requirements under the Panamanian flag legal interpretation and international standards provisions.
- **Marine Notices** - Notices used to communicate useful information to the shipping industry. These Notices are for information purposes only.
